## **Policy: Register of Business Interests of Headteacher and Governors**

The Headteacher and Governors of Lindow Community Primary School affirm that they have no business interest in any organisation supplying goods and service to the school or in any club using the premises.

In the event of the Headteacher or a governor having a business interest in any organisation bidding or supplying services to the school, the interested party must declare this relationship to the Governing Body, in advance of any negotiation or discussion, in writing and then withdraw from any discussions concerning supply of such services. All governors complete a pecuniary interest annually and must fill in an updated version if their situation with regard to pecuniary interest changes at the next opportunity.
