### Introducing our new Head Boy & Girl...

My name is Ben and I am the new head boy. It is a true privilege to represent Lindow as head boy. I am really looking forward to meeting children in younger years and getting to know everybody better. I personally am most looking forward to seeing the Reception children and to helping them around the school. I am going to take all the <sup>my</sup> responsibilities with pride and try my best at everything I do.

My name is Graizoni and I am the new head girl of Lindow Community Primary School. I am very excited to be given this great responsibility and I am most looking forward to reading out merits in celebration assembly.

Look out for more children in their exciting and well-deserved new roles and responsibilities in next week's newsletter!
