

Caring, Learning and Achieving Together

Musical Opportunities at Lindow

Music is a key part of our curriculum and plays a vital role in stimulating the lives of the pupils at Lindow Community Primary School.

Each class has a weekly curriculum music lesson with their teacher. We follow the National Curriculum, using a variety of instruments to explore and combine sounds and we love composing music to create our own pieces to perform to the rest of the class and to partner classes.

We also receive funding from the Love Music Trust to allow all Year 4 pupils to learn an instrument for a term.

There are so many musical opportunities at Lindow Community Primary School, including the opportunity for children of all ages to be involved in our 'Signing Choir'. We also offer many opportunities beyond class lessons for children to learn to play a musical instrument taught by one of our peripatetic instrument teachers.

We are pleased to host a team of highly qualified peripatetic instrumental teachers. They teach their lessons within the school day, and they operate a rolling timetable so that the children do not miss the same portion of the same lesson each week.

The instrumental opportunities are:

Monday – Brass instruments (French Horn, Trumpet, Trombone) with Mr Thornton

Monday - Thursday - Piano with Mrs Porteous

Tuesday - Guitar/Ukulele via Front Row Music - office@frontrow-music.com

Wednesday – Piano/flute with Mrs Anna Norman
