Year 5 Planting Bulbs

Year 5 enjoyed a chilly, yet calm morning planting daffodil bulbs in the forest school area. Working together, we carefully dug small holes, placed the bulbs gently into the soil, and covered them up, ready to reappear in spring. We talked about how the daffodils would soon bloom and brighten the school field with colour. It was a lovely way to learn about plants, teamwork, and caring for the environment. A special thank you to Mr Billington for working hard to prepare the ground and organise the bulbs and equipment, ready for planting.
