PCSO Visit

On Tuesday, we were delighted to welcome our new PCSO, Lisa Gamble, to school. She spent time meeting both staff and children and spoke to us about her important role within the community. The children enjoyed learning about how PCSOs help to keep people safe, support local communities, and build positive relationships with schools. We look forward to working closely with Lisa throughout the year and seeing her around and about Lindow and Wilmslow.

Year 4 Samba Celebration

Year 4 have been learning all about samba in their music lessons and celebrated this vibrant Brazilian festival by coming to school on Thursday dressed in bright colours. During our weekly music assembly, they confidently performed to the rest of the school, showcasing their musical talents using a range of instruments to build up exciting layers of sound. Working collaboratively in groups, the children created different rhythms inspired by samba music before then also sharing a singing performance with a lively rendition of *La Bamba*, which everyone thoroughly enjoyed. Well done, Year 4!

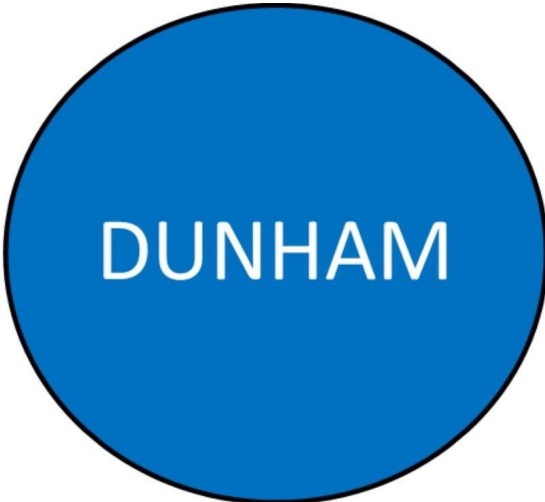

Times Tables League!

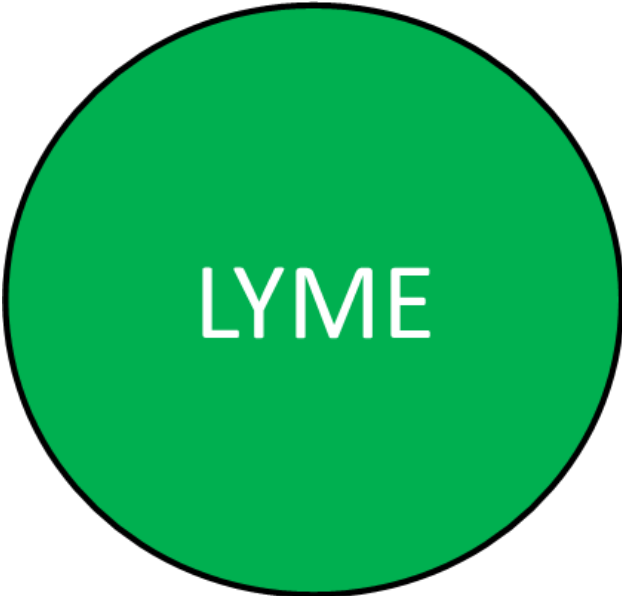

Well done to all our classes for their brilliant effort in this month's Times Tables League. The competition was incredibly close between Year 1/2 and Year 5, but Year 1 and Year 2 came out on top with a fantastic team performance and over 15,000 points!

A special congratulations to our individual champions: **Maya** in first place, **Rex** in second, and **Benji** in third.
