Notes

1. Previous minutes were approved.
2. Mr O'Keefe gave thanks to the PTA for a successful years fundraising. Particular thanks for the Christmas Party and Halloween Disco which were hugely successful.

3. Future plans were discussed with Sophie mentioning the link with Bellway Homes.
Action for Abi to speak to Dave and get the contact for Bellway. Purchasing a school bus was discussed and agreed it was too expensive and wouldn't work logistically for the school. Reception parents talked about ways they could give back to the school and it was agreed that any ideas should be given directly to the PTA.
4. Natalie Hulme read out the Chair Report which gave an overview of the funds that had been raised and which events were particularly successful. She gave thanks to the school and all the volunteers. Diary of events was distributed and dates confirmed (apart from the golf day which needed confirmation).
5. Liz Bond read through the Treasurers Report. Overview of funds still due to be invoiced for. Once that has happened we have approximately £5700 in the bank.
6. Committee signed in for the next year as follows:

Chair: Natalie Hume

Co Chair: Abi Kendrick

Vice Chair: Sophie Bruce

Treasurer: Liz Bond

Secretary: Lexy Denton

7. AOB - Further items discussed were the year 6 hoodies and the extra funds needed for the panto coaches. It was agreed a poster needed to be sent around saying how much had been fundraised by the PTA last year – **Action for Natalie and Liz**.
It was agreed that we needed to send out a form asking parents for their skills and what they could help with. **Action for Natalie**.
Craft event was discussed. **Action for Sophie** to look at what can be used and if anything needs to be ordered.
Give back on shopping was discussed. **Action for Sophie** to send round the link again to be distributed to class groups.
8. It was agreed meetings would be adhoc when needed.
