Merit Awards

- Reception: Luca (caring) Ezra (learning) Romee (achieving)
- Year One: Oscar (caring) Leo (learning) Cooper (achieving)
- Year Two & Three: Maya (caring) Chloe (learning) Rufus (achieving)
- Year Four: Thomas (caring) Jake (learning) Caldyn (achieving)
- Year Five: Luca (caring) Roddy (learning) Amber (achieving)
- Year Six: School Trip!

Happy birthday this week to...

Harry - 11 Years old

Leo - 6 Years old

Ellis - 9 Years old

Launch of our BSL Curriculum

Celebrating the Launch of Our New BSL Curriculum!

Yesterday we proudly launched our new **British Sign Language (BSL) Curriculum**, marking an exciting milestone for our school and our wider community.

Our children showcased the signs they have been learning in class during a special whole-school assembly. We were also delighted to welcome **Lisa Birtles**, who delivered an engaging presentation about BSL, its history and its importance.

After school, families and members of our wider community joined us for our **BSL Launch Event**. Lisa shared a more in-depth presentation about BSL, while **Gill Reeder, CEO of DSN**, spoke about the valuable support, services and opportunities available through DSN.

The **DSN bus** was also at school, giving children and adults the opportunity to find out more about hearing health, hearing loss and the support available locally.

It was a fantastic day of **celebrating BSL, raising awareness and promoting communication and inclusion**. We are incredibly proud to be launching our new curriculum and look forward to seeing our children continue to develop their BSL skills and confidence. 🙌💙

Class Spotlight - Year 1

What a busy and exciting week we have had in Year 1!

Geography: We have been building on our map skills by looking closely at a map of our school. We enjoyed identifying and marking different rooms that we know, helping us to develop our understanding of maps and the places around us.

Music: We have been working hard to perfect our final piece, focusing on keeping a steady pulse as we performed. We were very proud of how confidently we performed our music!

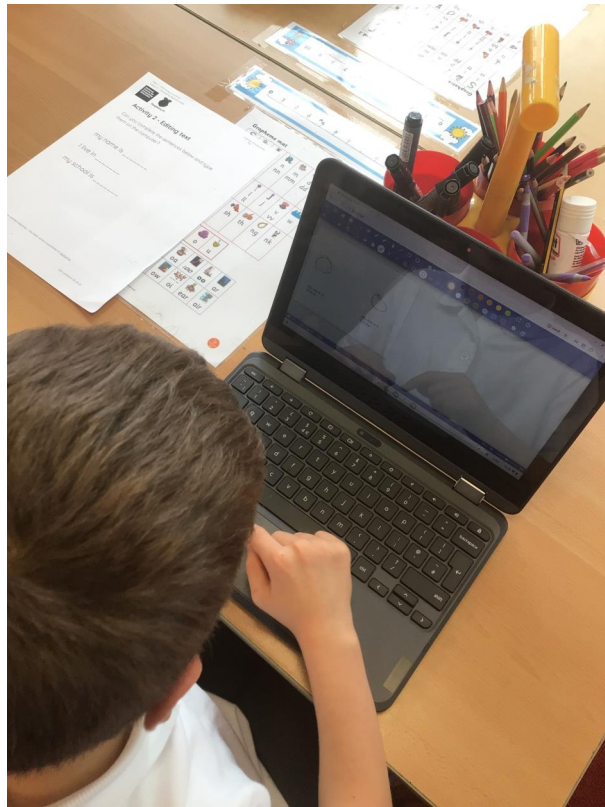

Computing: We have continued to develop our Chromebook skills, practising how to use the trackpad and keyboard. We used these skills to write sentences and create our own drawings.

Art: We have created our final pieces inspired by Nerys Levy's *Antarctica*. We have put our colour-mixing knowledge into practice to create interesting and effective artwork inspired by the icy Antarctic landscape.

Library Friday: We finished our week with a very special Library Friday. It was wonderful to share stories, books and our love of reading with so many parents and carers. Thank you to everyone who joined us — we loved having you there!

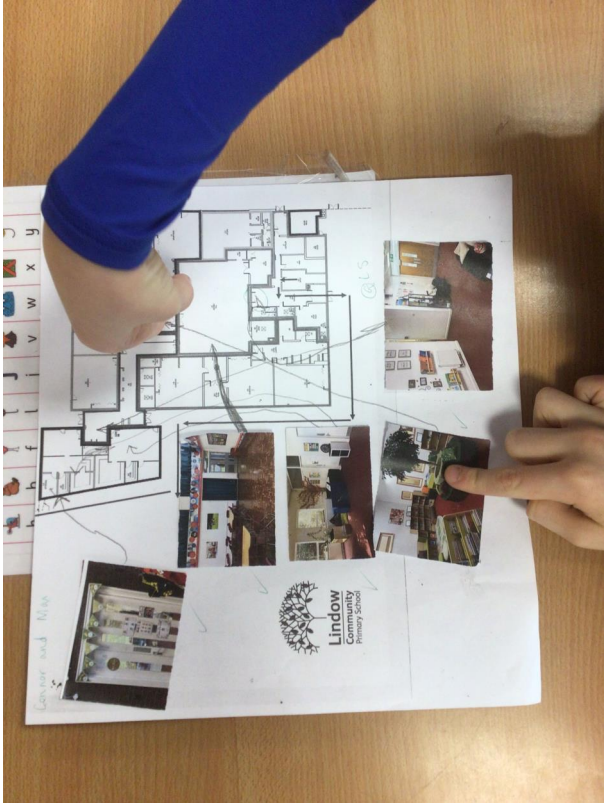

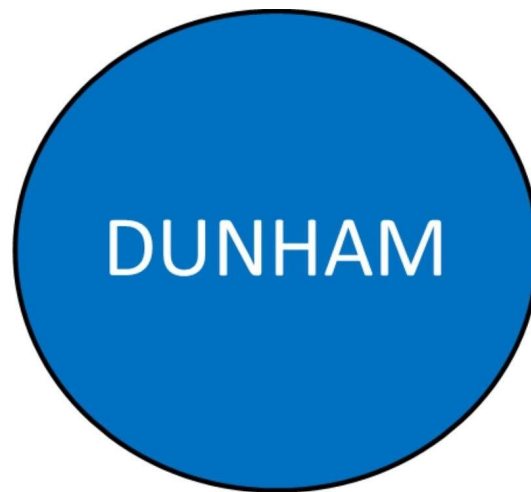

Year 5/6 Girls' Football

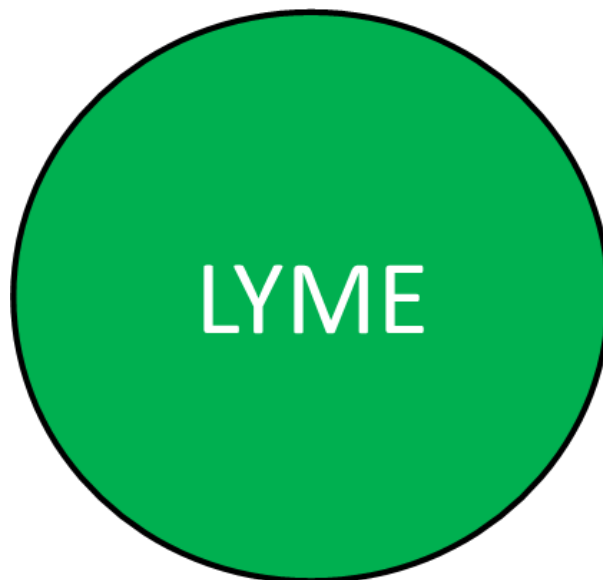

A huge well done to our girls' football team, who played the second round of their tournament last night! The girls showed fantastic progress since their previous round just two weeks ago, demonstrating great teamwork, determination and growing confidence on the pitch. They worked brilliantly together, supporting one another throughout and securing some excellent draw results along the way. We are incredibly proud of how far they have come, their positive attitudes and the way they represented our school. Well done, girls — keep up the fantastic work!
