Happy birthday this week to...

Frances - Y6 - 11 years old

Rio - Y6- 11 years old

Amber - Y5 - 10 years old

Thomas - Y4 - 9 years old

Year 2/3 Show!

This week, year 2/3 were incredibly lucky to welcome Whispered Tales into school for a moving and powerful performance of Our Crossing. Through a captivating blend of storytelling, poetry, music, dance and immersive visuals, the children were taken on a journey exploring the experiences and contributions of the Windrush generation.

Inspired by the voyage of the SS Ormonde, which travelled from Jamaica to Liverpool in 1947 carrying 241 passengers, the production shared deeply personal stories of Caribbean families who made Britain their home. The performers explored themes of identity, belonging, cultural heritage, racism, pride and resilience, helping to bring to life important stories that are not always told.

It was a thought-provoking and memorable experience that encouraged the children to reflect on the experiences of others, celebrate cultural diversity and develop a deeper understanding of an important part of British history. A huge thank you to Whispered Tales for sharing these powerful stories with us and bringing history to life in such a creative and engaging way!

Harvest Festival

Thank you to everyone for your hugely generous support of our Harvest Festival. It was wonderful to welcome so many families into school to mark this special occasion, and we are incredibly grateful for your kind donations to Hope Central Food Bank.

The children's singing and signing was fantastic, and our Year 6 pupils, along with ambassadors from across the school, spoke with such calmness and confidence, making us all incredibly proud. Barney from Hope Central Food Bank in Handforth was truly grateful and overwhelmed by the generosity of our school community, and he was blown away by the incredible collection of donations that our school councillors so carefully helped to pack up afterwards.

Thank you for helping to make such a positive difference to others and for supporting this important cause so wholeheartedly.

Spooky Disco

The PTA Spooky Disco was a fantastic evening filled with fun, laughter and a real sense of spookiness with the amazing transformation of our school hall!

It was wonderful to see so many amazing costumes on display, along with the fantastic pumpkin designs that showcased such creativity and effort from across the school. The dance floor was buzzing all evening, and a great time was had by all.

A huge thank you to our amazing PTA and all of their helpers for organising such a brilliant event, and thank you to everyone who came along and helped make the evening so special. Your support and enthusiasm are what make events like these such a success!

Summer Reading Challenge

We would also like to congratulate all of the children who took part in this year's Summer Reading Challenge, who we celebrated in assembly today.

It has been wonderful to see so many pupils continuing their reading journey beyond the classroom and embracing the joy of books throughout the summer holidays. Completing the challenge is a fantastic achievement and reflects the strong culture of reading that continues to thrive across our school.

A heartfelt thank you goes to all of our parents and families for their encouragement and support.

Reading Millionaires

As part of our new Lindow Reading Millionaires, we are delighted to celebrate children who have reached the impressive milestones of 250,000 words and 500,000 words, earning their places as Quarter Millionaires and Half Millionaires. These fantastic achievements reflect a real commitment to reading and a love of books. Throughout the year, we will celebrate these wonderful reading ambassadors each half term, acknowledging their dedication and inspiring the whole school community to read more widely and often. We are also excited to look ahead to Christmas, when we hope to award our very first Lindow Reading Millionaire golden badges to children who achieve the extraordinary milestone of reading one million words.

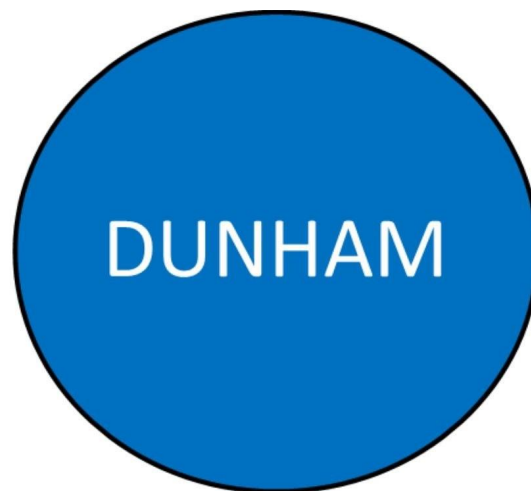

What a wonderful way to celebrate a growing culture of reading and the remarkable accomplishments of our young readers!

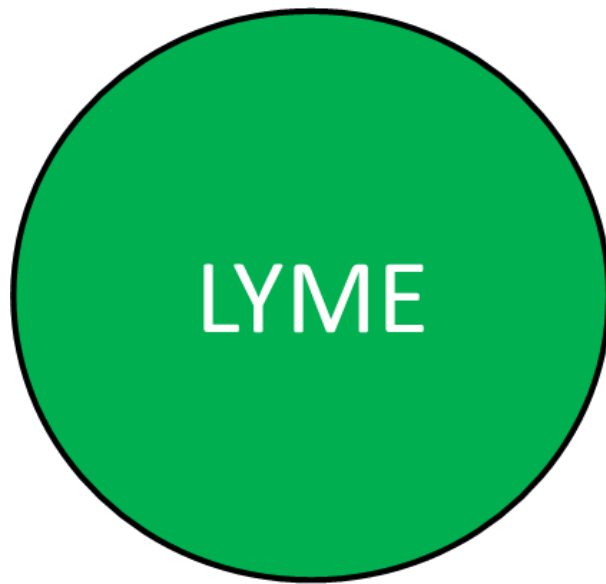

Half millionaires - Henry, Sophie, Cassia

Quarter millionaires - Ella, Lizzy, Jessica
