Sports report...

### The first match!

The first match was a home game against Little Blakesley. They played well and in the end we were 2-0 but we were all a bit nervous as it was our first game representing Lincoln. The first goal came from a corner which was a good way to see how things were and was the best kind of the game we enjoyed. The first goal was scored in the first half.

The second game was a bit more nervous but we had loads of energy and got on really well. We were lucky to get a goal in the first half but they were kept out by our goalkeeper. The referee got out in the 1-0 and we had to go and get ready for the next match.
